

IMPORTANT NEWS FROM YOUR UNION

Join the Owens Faculty Association's Solidarity Rally and March

Friday March 18 * 10 a.m. to noon starting at the
Industrial and Engineering Tech building

Join members of the Owens Faculty Association, Local 4670, and supporters from the surrounding community to deliver a letter to President Bower announcing OFA's vote of no confidence in Owens' leadership.

Owens Community College is an invaluable resource for students who wish to gain the knowledge and skills they need to lead successful lives.

The poor decisions of those who run Owens have imperiled the future of our students and the institution itself.

Last month, Owens Faculty Association members overwhelmingly supported a vote of no confidence in members of the Owens Board of Trustees, President Bower and members of executive leadership for financial mismanagement and lack of effective leadership.

Join those of us who believe Owens Community College can be strong again if the administration works in collaboration with the faculty to ensure Owens has a successful future.

Stand up! Show up!

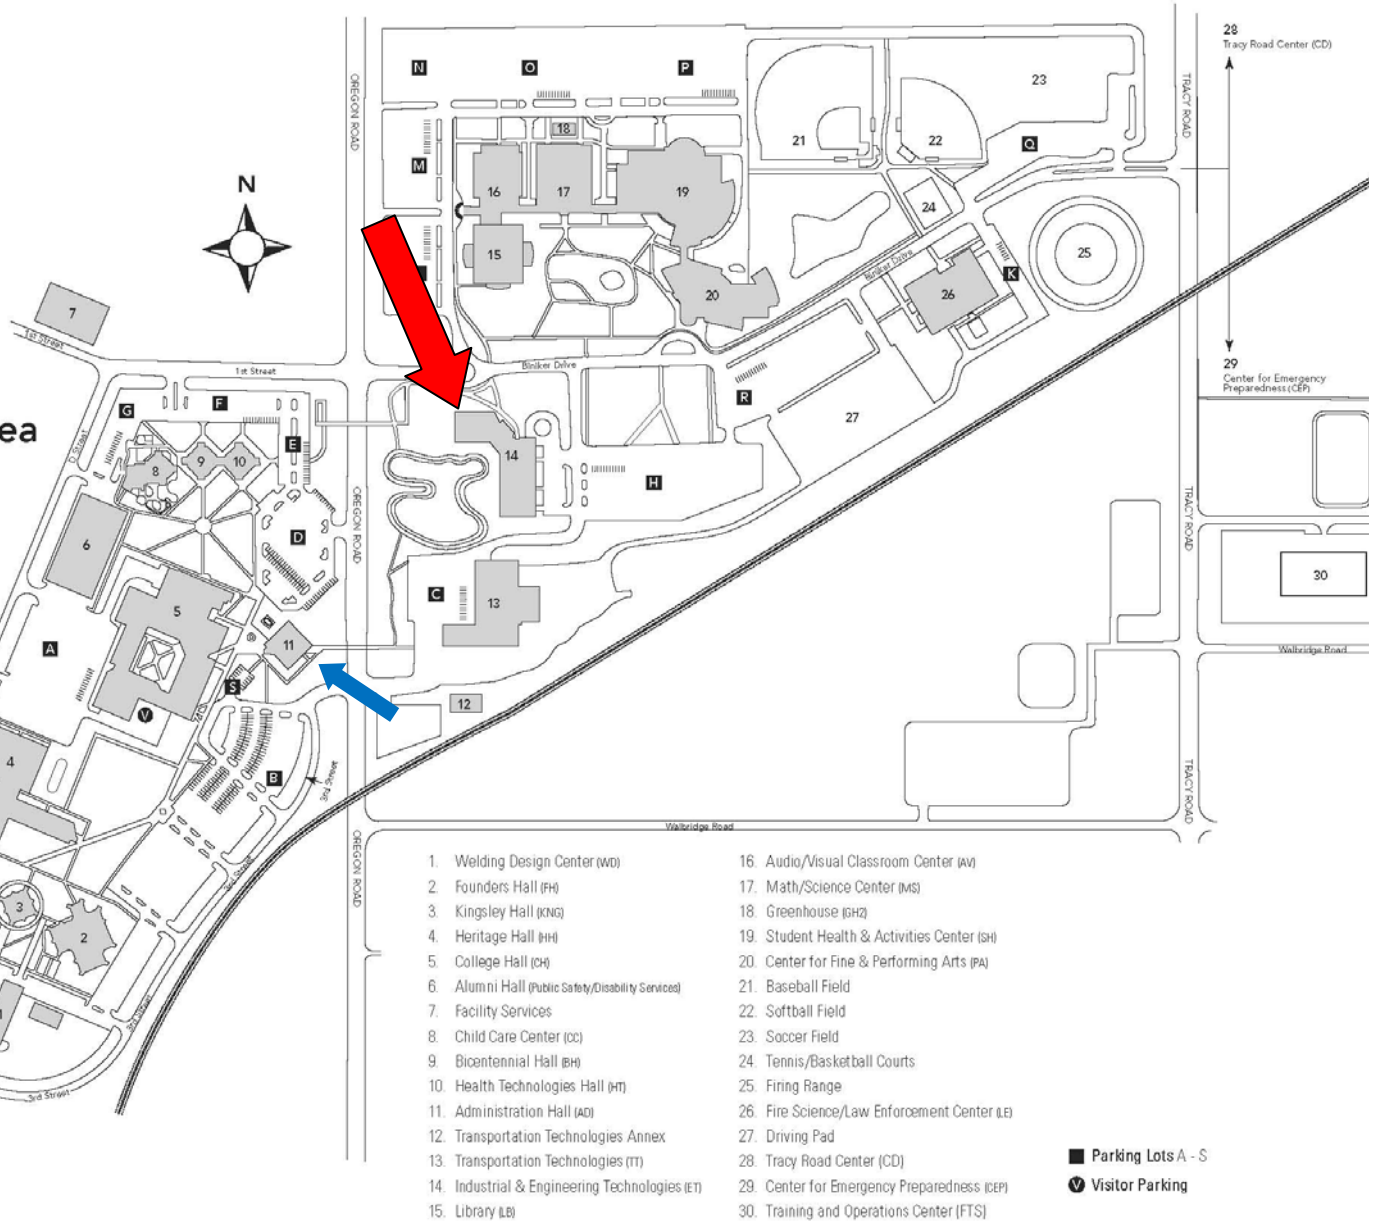

"I'll Be There!"

OWENS
COMMUNITY COLLEGE
